20. Waivers. No modification or waiver of any provision of this Agreement will be valid unless such modification or waiver is in writing and signed by the party against whom it is sought to be enforced. No waiver at any time of any provision of this Agreement will be deemed a waiver of any other provision of this Agreement at that time or at any other time.

21. Integration. This Agreement constitutes the only agreement relating to End User's use of the Home Value Products and relating to the confidentiality of Confidential Information exchanged in connection with such use. The provisions of this Agreement expressly supersede any prior Agreement relating to the confidentiality of information exchanged between the parties as it relates to any use of the Home Value Products by the End User.

22. Severability. If any provision of this Agreement is held for any reason to be invalid, illegal or unenforceable, such invalidity, illegality or unenforceability will not affect any other provisions of this Agreement, and this Agreement will be construed as if such invalid, illegal or unenforceable provision had not been contained herein.

23. Indemnification. End User will indemnify Freddie Mac and Service Provider and their respective directors, officers, employees, successors and assigns and hold each harmless from and against any and all liabilities, losses, claims, damages, costs and expenses, including reasonable attorneys' fees, arising directly or indirectly out of the breach of any of End User's obligations hereunder, whether such breach arises out of its own action or inaction or the action or inaction of End User and its directors, officers, employees, subcontractors, partners, principals and agents, successors and assigns.
